WEBINAR SERIES

October 15th, 22nd & 29th | 3pm-4:30pm ET

Join us for this Three Part Webinar Series: Exploring the Intersection of Technology, Communication and Employment Systems Change for Youth with Disabilities. Explore how we can use newly developed, intuitive applications to support youth towards employment success and how can we best advocate for equal access to technology for all communities, including those that are traditionally underrepresented. Hear unique perspectives shared from nationally recognized experts on viewing technology solutions beyond “assistive technology” and offer practical strategies to address gaps in access, application and usage.
